

School of Bible Prophecy Interactive Group Questions

The Prophetic Landscape Of Our Postmodern World

1. What are your thoughts regarding Israel's position in the Biblical last days scenario, and why do you think so many Christians hold to replacement theology (i.e., the church has replaced Israel in plans and purposes of God)?
2. Would you agree with the statement that the apostasy (falling away) of Christianity in the last days is a primary warning found throughout Biblical prophecy?
3. Do you believe that the significant technological advancements we are witnessing in our world today play an important role in prophecy, especially noting the AI (Artificial Intelligence) phenomenon?
